John H Dallinga
1032 Madison Pl
Southborough MA 01772

To Whom it May Concern:

John H Dallinga is making slow progress in his recovery from his recent medical complication. He continues to see me and his cardiologist regularly and has additional testing scheduled. Although he is making progress, it the opinion of his specialist and myself that, he is not yet ready to return to work.

I am requesting extension of his leave of absence until 5/19/15.

I will be monitoring his progress.

Sincerely,
